YAMAHA BAND & ORCHESTRAL

YFL212 STUDENT FLUTE \$799

Featuring the same high-grade design and craftsmanship as the 300 and 400 series models, 200 Series Flutes are made of durable nickel silver with an attractive silver-plate finish. They are characterised by excellent response and intonation.

YFL222ID also available, \$735.

YFL372 STEP-UP FLUTE \$1,699

Yamaha took all the lessons learnt through the process of developing and perfecting our Handmade models and incorporated it into the design of our intermediate and standard flutes. Featuring a Solid Silver headjoint, these are flutes that will help beginners rapidly improve, while offering more advanced players excellent response and tonal qualities. YFL472ID with Solid Silver head and body also available, \$2,199.

YPC32 PICCOLO \$1,299

With its easy playability, accurate intonation, and characteristic piccolo sound, the YPC32 is very popular with students as well as doublers. The body is made of sturdy, maintenance-free ABS resin for a sound similar to that of natural wood. YPC62 also available, \$1,699.

YCL255 STUDENT CLARINET \$749

The YCL255 combines state-of-the-art production expertise with high-end Yamaha clarinet features. The result is an outstanding entry-level instrument that delivers a warm, resonant tone that is remarkably similar to that of a wood clarinet. YCL450III step-up clarinet also available, \$1,599.

YCL450M STEP-UP CLARINET \$1,599

The YCL450M is a Grenadilla wood instrument designed with the know-how gained through years of experience crafting professional level instruments. The YCL450M additionally features our "Duet+" treatment applied to the instrument bore making the instrument more durable and less susceptible to the effects of humidity and temperature. YCL650WC also available, \$2,099.

YCL221III BASS CLARINET \$3,795

Built for the modern student. This bass clarinet features a 2 piece, ABS construction ensuring a portable, durable and musical bass clarinet.

YAMAHA BAND & ORCHESTRAL

YAS26 STUDENT ALTO SAX \$1,429

The YAS26 features the build quality of more professional models without the fancy extras, making it the perfect instrument to start on. YTS261D tenor sax also available, \$1,899.

YAS280 STUDENT ALTO SAX \$1,779

The 280 saxophones provide beginners with a reliable instrument to start playing on. They offer a characteristically bright saxophone sound with excellent intonation and some surprisingly high quality features for an entry-level instrument. YTS280ID tenor sax also available, \$2,199.

YTS62III PROFESSIONAL TENOR SAX \$3,499

Already a legend, the "62" attained the love and respect of a wide range of players for its highly reliable performance and outstanding quality. It owes its success to a group of dedicated designers with great vision, and highly skilled craftsmen performing their work with an extraordinary level of devotion, perfection, and passion.

YBS32E BARITONE SAX \$6999

Players around the globe know Yamaha's baritone saxophones for their outstanding sound. Yamaha has refreshed the traditional image of these instruments with powerful, yet delicate tone and exceptional playability.

YVS100 VENOVA \$139

With the introduction of the YVS100 Venova there is an instrument simple and durable enough to take anywhere. Featuring a solid ABS resin construction, synthetic reed and Yamaha 4C soprano saxophone mouthpiece the Venova is more powerful than it looks. Its branched wind pipe means the Venova can play a full 2 octaves, a first for ABS resin instruments.

YAS62YVSPACK PROFESSIONAL ALTO SAX PACK \$2,999

The YAS62 is a staple of the saxophone world. This pack combines the tradition of the YAS62 with the technology of the newly designed Venova.

YEVPRACPACK4 ELECTRIC VIOLIN PRACTICE PACK \$1,249

The YEV electric violin range is perfect for plug and play performance. This beautifully designed instrument aims to feel like an acoustic violin in the player's hands. The Practice Pack comes bundled with a THR5A amp and a G10 wireless relay system to ensure you are ready for both live performance and home practice. YEVPRACPACK5 (\$1,349), YEV104 (\$999) and YEV105 (\$1,099) also available.

YAMAHA BAND & ORCHESTRAL

YTR2330 STUDENT TRUMPET \$725

The YTR2330 trumpet is the perfect starter instrument for students. The main focus for the design was on a light and easy to play trumpet with a great sound and perfect intonation. The Monel alloy pistons are well known for their good, consistent action and minimise the need for maintenance. YTR2330S also available, \$725.

YHR567 DOUBLE FRENCH HORN \$4,699

The popular 567 is a full Bb/F double horn with a design very similar to the innovative 667V. Its easy response and sure note centering make it ideal for students, while the colourful tone and precise intonation make it attractive to pros. The 567 is an outstanding horn and great value for its price.

YTR3335 STEP-UP TRUMPET \$949

For the first time Yamaha has designed a step-up trumpet with a reversed main tuning slide allowing for an exceptional feel and response. The two piece yellow brass bell has the perfect parameter for the needs of a student. YTR3335S also available, \$999.

YTR6335 PROFESSIONAL TRUMPET \$1,699

Yamaha's professional models are medium-weight for a perfect all-around playability. They're at home in any setting, from studio to big band, concert band, chamber group, or orchestra. YTR6335A and YTR6335S also available, \$1,699 each.

YEP201S EUPHONIUM \$2,999

The YEP201S is an excellent instrument for younger players, or when budget is a strong consideration. It is lighter weight than more advanced models making it easier to hold and play, but still features a big full sound, and easy response.

SB7XII SILENT BRASS FOR TRUMPET \$229

Yamaha's next generation silent brass delivers greater playing enjoyment, anytime, anywhere. The silent brass consists of a smaller, lighter, freer blowing Pickup Mute, and the Personal Studio, which features Yamaha's exclusive Brass Resonance Modelling. Used together, the two deliver the natural acoustic tone you hear when playing without a mute, making it feel as though you are playing mute free. SB5XII also available, \$259.

YSL154 STUDENT TROMBONE \$1,049

Yamaha trombones were designed to make it easier for beginning students to sound good. They are produced in Yamaha workshops by highly trained craftspeople with very similar specifications and manufacturing processes as we use on our top of the line models. YSL154S also available, \$1,049.

YSL456A STEP-UP TROMBONE \$2,299

The YSL456A is 100% made in Japan at the Yamaha Toyooka factory. Built exclusively for Australia, the YSL456A is a true step up from the student range into the superior quality of a Yamaha instrument, meeting the needs of aspiring players with the perfect balance of features, durability and price.
